

Start the new year off right by helping a great cause! The Guild for the Blind's Young Professionals Board is hosting a happy hour.

Stop by the Burwood Tap on January 28th and grab a drink to learn more about this group of committed young adults who want to help the Guild clients achieve their dreams. A portion of the proceeds will benefit the Guild for the Blind to raise money and increase awareness of Guild programs and the exceptional accomplishments of its members.

The Guild for the Blind has been building the confidence and competence of adults with vision loss for 60 years. We work individually with our members, providing the tools, training and support they need to reach their goals. Together, we are changing the perception of what it means to live with vision loss.

The Young Professionals Board is in its early stages of development and looking for socially conscious Young Professionals that are eager to meet new people and make a difference.
